[REDACTED]

[REDACTED] I have endeavored to complete this submission in a timely fashion, including conducting interviews with Mr. Martinez, his family members and Pretrial Services during this time. Unfortunately, I require additional time to finalize the submission while being mindful of my health. It is imperative that Mr. Martinez be sentenced on September 9, due to issues with his living situation, so I do not seek to adjourn sentencing.

I respectfully request that this submission be filed under seal, as it pertains to my personal health. Thank you for your consideration of this request.

Respectfully submitted,
